

Organizing- and Storage systems

Drawer Shelves RS

for standard Cryoboxes.
With fold-away handle bars and labeling panels.

Construction with extra spacing for optimal, evenly and fast cooling of the complete freezing material.

Both Systems are available for the following FRYKA- freezer types:
Cold box B 30, freezers TS / TUS and TT with 55 litres volume.

Stainless Steel Shelves RN

for standard containers

See back for technical data and different versions

Drawer shelves for freezing- and storage boxes

Freezer type	Number per unit + type of shelves	Size per drawer w x L x H mm	Number of drawers
Cold box B30	1x B 30-RS	300x280x52	4
